

**Do you live, work, play, or worship in the area around Bailey Gatzert school?  
Help shape the future of your neighborhood!**

## **COMMUNITY VISION WORKSHOP**

**Sunday, October 29, 2023**

**1:00 - 3:30 p.m.**

**Washington Hall, first floor (BPU)**

**153 14th Ave, Seattle**

**Get your free tickets at <https://tinyurl.com/GatzertWorkshop>**

**Join us for a fun, creative afternoon!**

Together, we'll imagine our ideal neighborhoods. We'll identify shared values and priorities to inform future planning for streets and land use in the historically and culturally rich area surrounding Bailey Gatzert Elementary School.

Please request any accommodations you need, including language interpretation, when you register. Children are welcome; child-friendly activities will be provided.

Central Seattle Greenways (CSG) is a volunteer group of neighbors working to make streets safer for people walking, rolling, biking, and living in the Central District and Capitol Hill neighborhoods. CSG partners with Bailey Gatzert Elementary School to help students get to school safely. Because the streets are hazardous for young children (and others), we are working with community to reimagine the area.
